Post Card Worksheet

Post Card

The box below represents your post card, sized proportionately. Indicate everything you want on it. Be painfully legible. Print copy clearly in the proper sequence and in approximate position each line is to appear. If you have a post card that you would like yours to look like, attach it and make the appropriate changes. Make sure you include your all of the information you want included on your post card. If it's not written below, it will not print. Remember this is only a post card, not a novel.
